MEMORANDUM SUBMITTED
BY THE
SECRETARY, SOUTH KANARA BEEDI WORKERS' FEDERATION
TO
THE HON'BLE MINISTER FOR LABOUR, GOVERNMENT OF MADRAS.

HON'BLE MINISTER FOR INDUSTRIES & LABOUR
19 AUG 1952

D.O. 95685 P3
22-8-52

HONOURABLE SIR,

SECRETARY TO GOVERNMENT
21 AUG 1952
DEVELOPMENT DEPARTMENT

South Kanara District is one of the important Beedi Manufacturing Centre in the State. 25,000 Workers are engaged in the Industry which is spread out even to the remotest villages. In the rural areas women and very young children are employed at very low wages and exploitation of their labour is very intense. In Mangalore Town and Taluk Centres the Manufacturing process is carried on in small establishments. Establishments run on factory basis are found only in Mangalore. There are five factories in Mangalore which are run as per Factories Act, in all employing 200 of the 25,000 workers in the District. Others are all spread out throughout the District into small units where there is absolutely no hours of work or any other facilities. Exploiting of the labourers is most inhuman in the interior places. After the Narayanaswami Naidu Report on the Industry the owners have systematically broken up the Factories and introduced a system of out-work wherein the Workers are made to work at home for a very low wage. Then they have introduced a Commission branch system - the Proprietor supplies leaves and tobacco and the Commission Branch Manager pays the wages to the workers at a rate fixed by himself. The Proprietor has absolutely no responsibility for running the establishment where Beedies are actually manufactured. He only pays a fixed rate of wages to the Manager and that Manager is free to pay whatever he likes to the Worker who actually rolls the Beedies. Thus the Beedi Manufacturers have devised ingenious methods to escape their responsibility to pay decent and fair wages and also for the

welfare of the workers. This entire system has thrown thousands of Workers into helpless dependence on these Exploiters.

WAGE-RATE: The Wages paid at present vary from place to place, though the selling rate is uniform. The young boys are paid from Re.1-0-0 to Rs.1-5-0 per thousand Beedies rolled. Women are paid from Rs.1-4-0 to Rs.1-8- 0 at the highest. The higher rates prevail only in places near the Towns. The Factory or shop workers are paid from Rs.1-6-0 to Rs.1-12-0. In the Factories of Mangalore and Taluk Centres the prevailing rate is Rs.1-12-0. In all other places it does not exceed Rs.1-9-0. Out of 25,000 workers the rate of Rs.1-12-0 is paid for only about 650 workers. The majority of the workers get an average of Rs.1-6-0 per thousand.

CIRCUMVENTING OF FACTORY ACT: Since the time the Workers began organizing the owners have taken resort to dubious methods of employment. Prolonged agitation of the workers and the Trade Unions resulted in Government extending the Factory Act and made it applicable to the Beedi Factories. But the owners split their Factories into smaller units and to escape law they got the Excise Licence in the name of different persons. They introduced the system of giving commission branches and the out work system. Thus they escaped all responsibility for the welfare of their workers. In the year 1947 a Tribunal was appointed to adjudicate on the question of payment of bonus. The Tribunal awarded one month's bonus. But the owners denied the bonus to the Workers on the plea that the workers employed by them are only those who actually work in the factories. Thousands of workers were refused their bonus. The Branch Manager refused to pay bonus saying that he is only a middle-man and that he does

not make any profit. Thus chaotic conditions of work prevail . The owners have successfully evaded responsibility and enforcement and application of the Factories Act.

To what extent this has gone can be seen from the following examples.

Besides the innumerous small proprietors, the biggest Proprietors are only five who have factories both in South Kanara and Malabar. Facilities of Factories Act such as regular working hours, leave with pay etc. is available only to 175 workers in five Factories in Mangalore. All the rest have no regular hours of work or leave with pay. Standardised wages are not given to those who are employed outside the Factories. Bonus is given only to 750 workers distributed in various establishments throughout the District.

The biggest Manufacturing concern is Mangalore Ganesh Beedi Works with their Head Office at Mysore. They employ in all 4,000 workers . They run six Factories under their direct management with a complement of 175 workers. Among these six, Factory Act is applicable only in three. Then they have many Commission branches, but majority of their workers are employed on the basis of out-work. Their daily production of Beedies is nearly 45 lacs. So among the 4,000 workers only 300 are given the facility of bonus.

The P.V.S.Beedi Works Ltd., Mangalore, has only two factories employing 90 workers. All the rest of 2,000 and odd workers are outside the purview of any labour legislation and denied all facilities besides having to work under a branch or Commission Branch Manager who

pay them at a rate of Rs.1-6-0 to ~~Rxi*i2*x0x~~ Rs.1-8-0 . Daily production is 25 lacs. The sale price is uniform at Rs.4-12-0 per thousand. It can be seen from the above how the workers are cheated by the employers.

Then comes Bharat Beedi Works, Karkal. This concern does not have a single factory under its management though the daily production is nearly 12 lacs with a daily sale of 10 lacs. Here is a big manufacturing concern producing lacs of beedies without a factory. Almost all the workers are so-called out-workers. Evasion of the Factory Act cannot go any further.

The Suvasini Beedi Works, Mangalore, employs nearly 1,200 workers of whom only 15 are working in a Factory at the rate of Rs.1-12-0. All the rest are paid less and denied leave with pay, bonus or any other benefits.

Lastly comes the Great Durbar Beedi Works, Mangalore. This concern has only one factory with 25 workers, besides four branches run by separate individuals but their daily production is 9 lacs.

All the above will clearly prove that the owners are minting money by mercilessly exploiting workers and the connivance of the Government has come in handy. The Excise Authorities are unconcerned as long as they get their duty and readily stamp out-work books issued to various workers. The Inspector of Factories and the Labour Officer plead their inability to do anything in the matter to safeguard the interests of the workers.

MINIMUM WAGE: The Government fixed the Minimum Wages at Rs.1-2-0 per 1000 beedies rolled under the Minimum Wage Act vide G.O.Ms.No.5257 dated 27-12-1950 and it was to

to take effect from 1-3-1951. This was fixed by ignoring the wishes of the Workers. Though Government had announced earlier a rate of Rs.1-4-0 per 1000 beedies but in difference to the wishes of the Proprietors it was reduced to Rs.1-2-0 together D.A. From any point of view such a low rate was inadmissible. But even then this remained only on paper. Because it was not enforced throughout the province. Even according to this G.O. the present rate inclusive of D.A. would be Rs.1-9-0 per 1000. But prevalence of rates for below the fixed rate is so common. Except in Urban areas everywhere else the rates are not in par with the rate fixed by the Government. On this point also workers are cheated. Hence the workers demand that the rate of Rs.1-2-0 fixed at present should be revised and fixed at Rs.-1-12-0 which is the rate paid in Factories at present.

MATERNITY BENEFIT: Besides evading payments under the Factory Act, the women workers whose number is daily on the increase are not paid any Maternity benefits under M.M.B.Act, 1935. The Maternity Benefit Act should be made applicable to workers of this industry.

Therefore, the workers request the Government to take into consideration this Memorandum of theirs and take immediate measures to satisfy the following demands of the workers in the Industry whose number is large and the Government cannot be indifferent to the welfare of such a large section of the workers.

The Workers, therefore, pray:-

(1) That all the Workers should be brought under the provisions of the Factory Act and other Labour Legislation and facilities such as leave with pay, granted to the factory workers should be extended to all the

workers.

(2) The rate fixed under the Minimum Wages Act should be revised and raised to Rs.1-12-0 plus D.A. at the rate of 25 per cent per rupee earned. This should be enforced throughout the District for all category of workers.

(3) One Months' bonus should be paid to the Workers of all Categories.

(4) Maternity Benefit Act should be made applicable for the Women Workers of this Industry.

(5) Recognition of all the Registered Trade Unions.

(6) Prices of tobacco and leaves should be controlled and the Excise Duty on tobacco should be reduced.

(7) Abolition of Contract and Commission Branch system and licence should hot be given for running manufacturing Centres.

(8) Prohibition of out-work, pass-book system

(9) Prohibition of employment of children.

All the Trade Union Units of the Federation have collected mass signatures of the Workers and we are herewith enclosing the Petition of the Mangalore Workers.

In conclusion we request the Government to take early action on this Petition.

Yours faithfully,

M A N G A L O R E)

The Secretary to Government,
Development Department,
Fort St. George, Madras.

Sir,

Sub: Labour - Beedi Workers in South Kanara District - grievances.

p. 39 ante Ref: Government Memorandum No. 95685 PI/52-1, dated 30-8-1952.

...

The Labour Officer, Kozhikode states that the memorandum dated 17-8-1952 of the South Kanara Beedi Workers' Federation, Mangalore is vague, that it has not raised any dispute so far, that if, the federation makes its demands on employers individually and fails to get satisfaction, conciliation will be taken up.

ff. 1- 6 ante

The federation's demands are dealth with below:-

1. Application of the Factories Act:

Factories Act will be applicable to all establishments employing 10 or more workers. Workers employed in other establishments employing less than 10 workers in Municipal and Major Panchayat Boards areas are covered by the Madras Shops and Establishments Act, 1947.

2. Minimum Wages:

The notification fixing the minimum rates of wages for workers in the above employment has been quashed by the High Court and an appeal against the order has been ordered to be filed.

3. Bonus: This will be looked into by the Labour Officer after the federation makes the demands on the managements.

4. Madras Maternity Benefit Act:

This Act is applicable to all women workers employed in Factories.

5. Recognition of Trade Unions.

Recognition of Trade Unions by managements is not compulsory now. This will have to await the Labour Relations Bill becoming law.

6, 7 and 8: The question of giving effect to these resolutions is being examined separately.

9. The Factories Act and the Employment of children Act prohibit the employment of children below 14 years.
